MADE IN ITALY

**Eric Conrad** From the pictures I see, I'd throw out that it is not a Competition. It's more rare...a Firenze. From what I can tell with the poor lighting, the paint is more of a mother of pearl color and appearance. This is the type of paint used on the Firenze.

**Eric Conrad** What is the S/N?

Like · Reply · 2d

**Tj Stein** Correct on mother of pearl paint. 4683 is on bottom bracket
