OLMO S.p.A
MADE IN ITALY

The Olmo Competition is a top-of-the-line classic Italian road racing bicycle suitable for Eroica events. The steel frame is hand-made from light weight Columbus SL tubes. This bicycle is in original condition and is fully equipped with an original Campagnolo Nuovo Record groupset. All parts have been checked in our workshop which means the bike is ready to ride with new chain, tubes, tires, rebuilt rear hub, brake lever hoods.

This bicycle will enhance any collection, suitable for collectors and cycling enthusiasts. It would be well served as a centerpiece for any cycling related decor.
