COLU

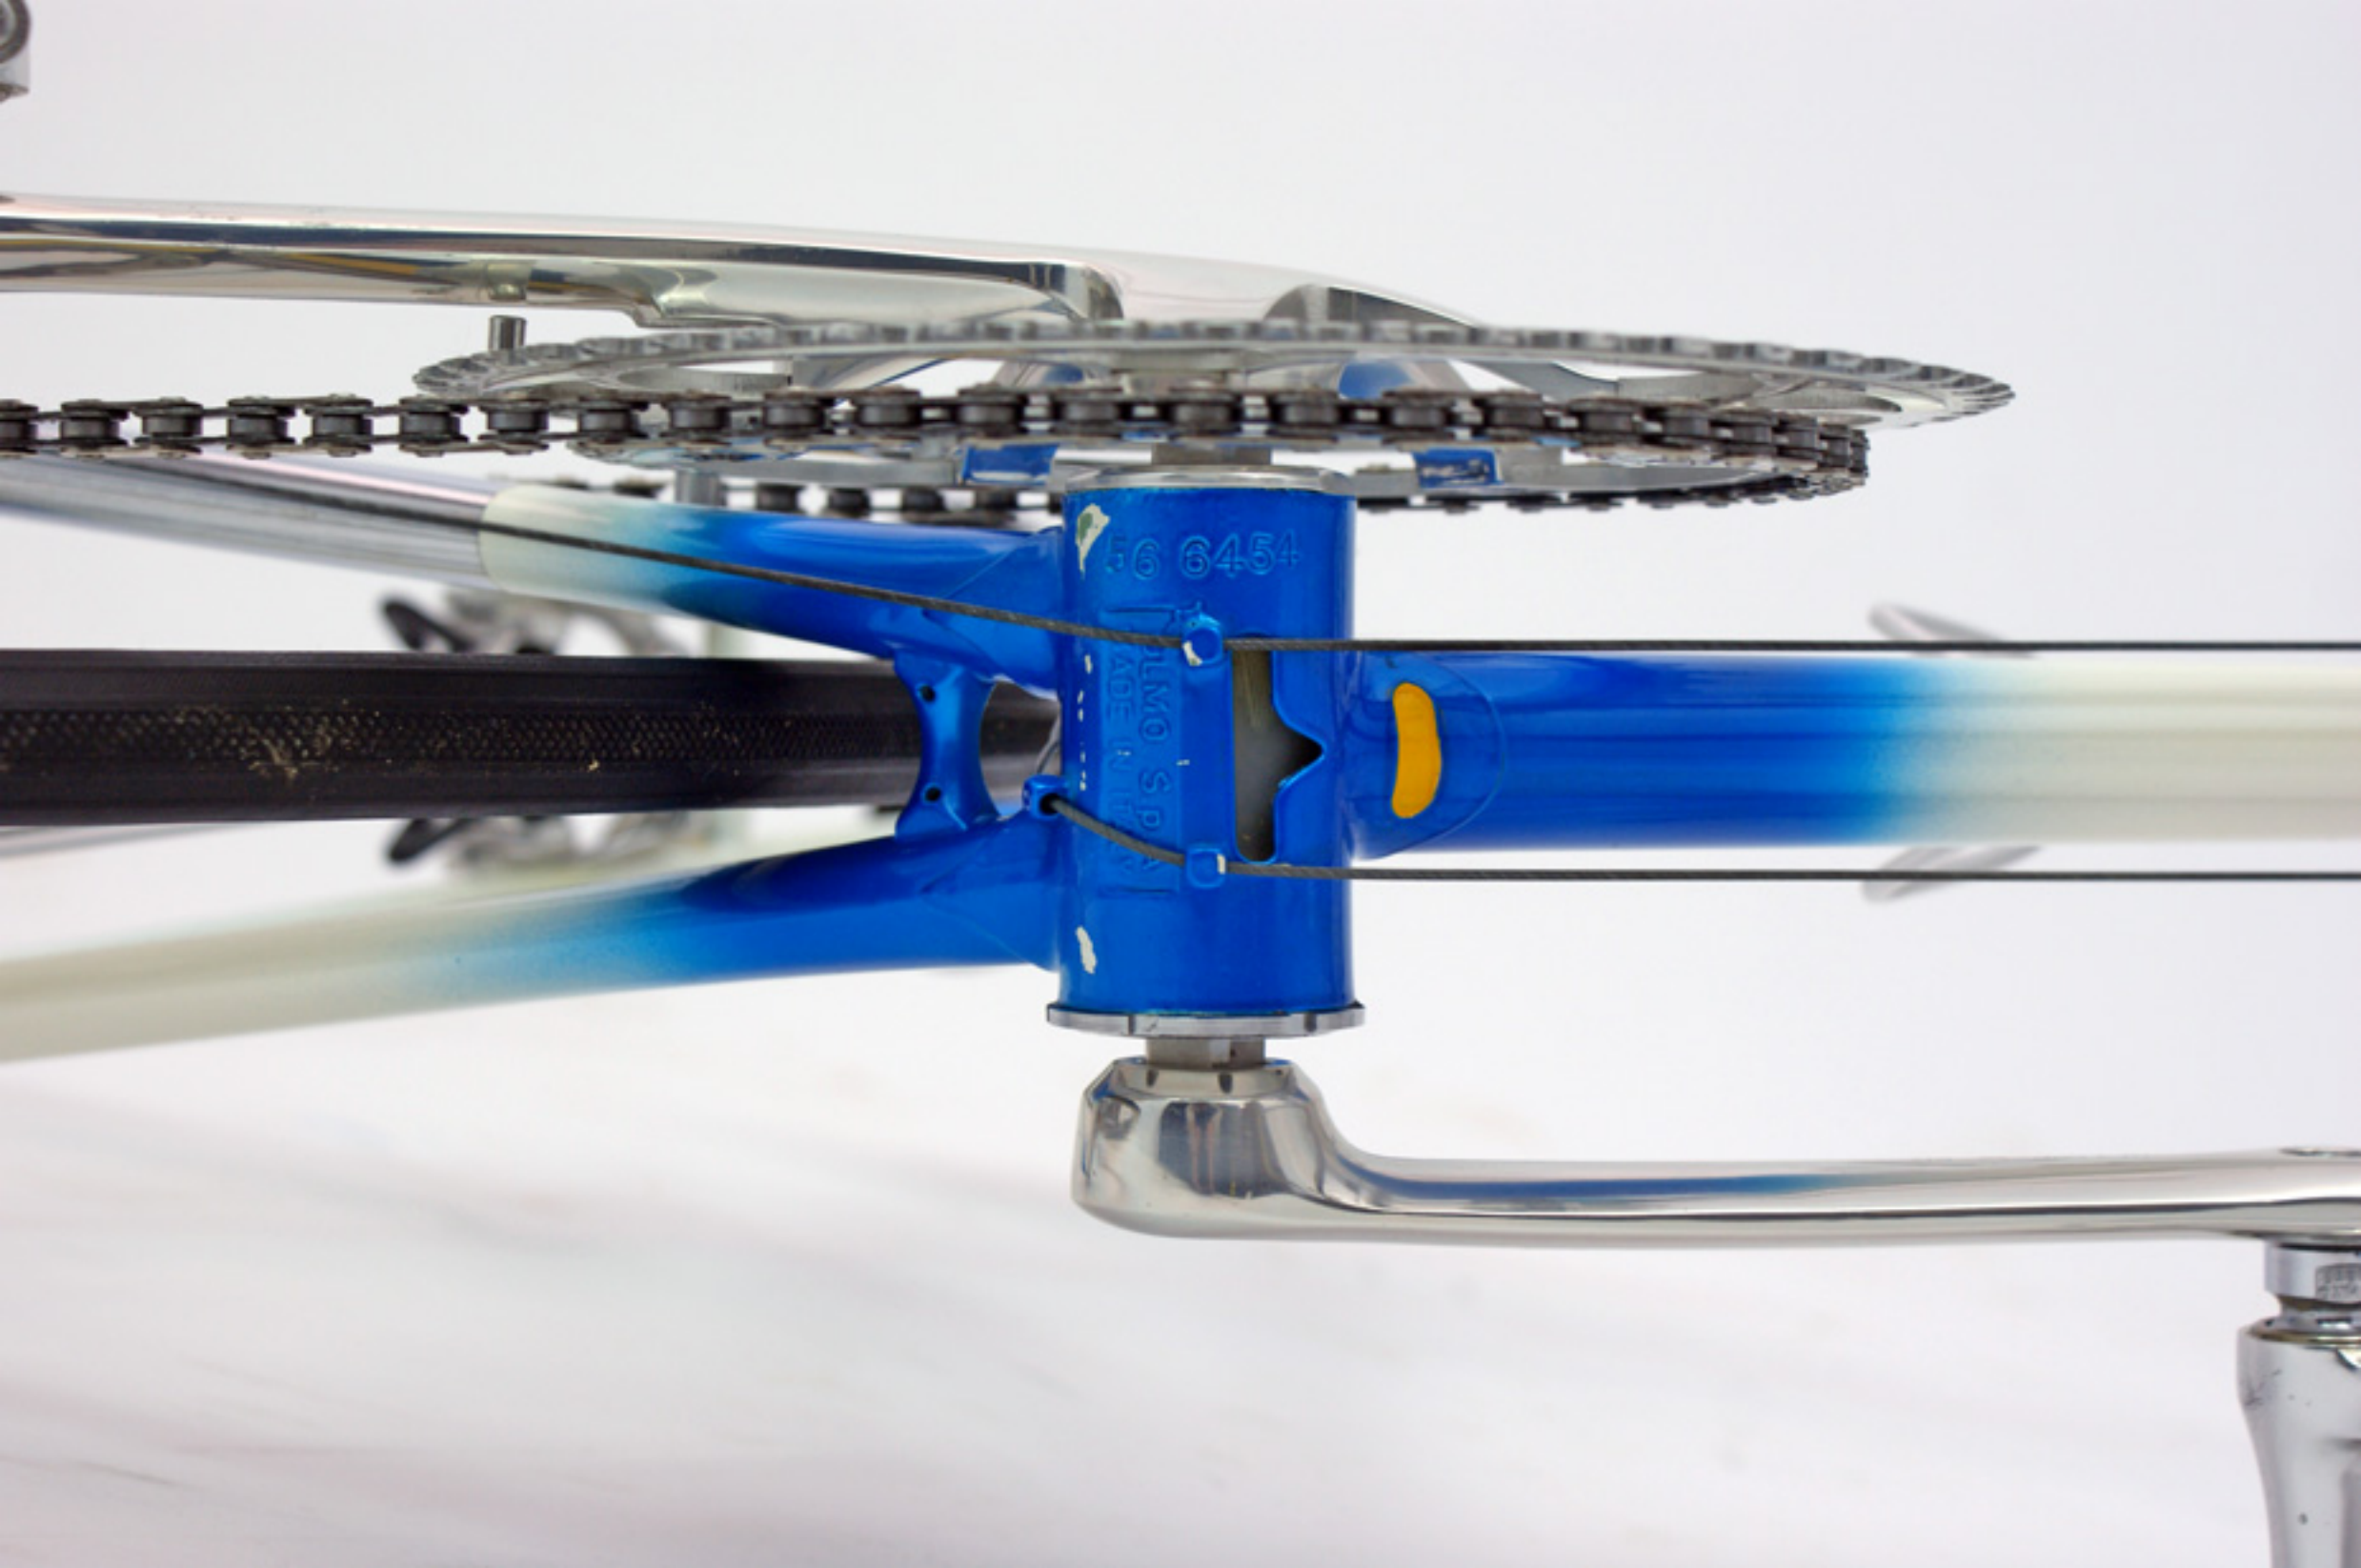

A close-up photograph of a bicycle's front fork and head tube. The frame is painted a vibrant blue with a light green or yellowish gradient. A white oval sticker with a yellow border is affixed to the head tube, featuring the brand name 'OLMO' in bold, black, sans-serif capital letters. The top of the frame shows the headset assembly with silver-colored components. A black cable, likely for the front brake, runs along the left side of the fork. The background is a plain, light-colored wall.
