Olmo seems to have made their only serious attempt to sell in the U.S. in the early/mid 80's.

My ~'84 Competition's serial is 7048

Don't hold your breath waiting for Olmo to respond to a number question.

Show me yours and I'll show you mine!

My son's bike's S/N is 7124, Chuckk. Give me a few days to clean her up and I'll post some photos.
